

STANDARD PURCHASE ORDER TERMS AND CONDITIONS

1. DEFINITIONS: "BUYER" means GRAVOIS ALUMINUM BOATS LLC dba METAL SHARK, its subsidiaries and affiliates. "SELLER" means the person or entity whose name appears as SELLER on the face of this Purchase Order ("PO"). "Work" as used in this PO means any and all goods, services, equipment, or materials whether tangible or intangible, specifically or by reasonable inference, required to be delivered or provided by SELLER under this PO (collectively the "Work").

2. PRECEDENCE: The terms, conditions and provisions of this PO are a principal consideration for BUYER to enter into this PO with SELLER and supersede and take precedence over any and all other terms, conditions or provisions of any other party, including SELLER. Each term, condition and provision of this PO is accepted by SELLER upon the earlier of: (1) the date of issuance of this PO to SELLER; (2) the date of any performance by SELLER under or in anticipation of issuance of this PO; or (3) the date that SELLER executes this PO. No other or varying term, condition or provision of SELLER related to the order, sale, performance or delivery of the Work shall be applicable, or construed as acceptable to BUYER. BUYER hereby gives notification of its objection to and rejection of any alterations, additions, limitations or other modifications to this PO or any of its terms, conditions or provisions. Receipt of such differing terms, conditions or provisions irrespective of whether signed or accepted by BUYER is immaterial and shall have no force or effect. Any technical data, specifications, drawings, designs, standards or the like attached to, referenced in, inferred by, or incorporated in this PO are an integral part of this PO. No acceptance of additional terms, modification or alteration of the terms contained herein or waiver of any right or remedy contrary to any of the above shall be effective unless executed by a duly authorized executive officer of BUYER.

3. PAYMENT: Payment to SELLER shall be made as indicated on this PO or, if silent, SELLER shall be entitled to payment forty-five (45) days after final acceptance by BUYER of the Work.

All signed delivery documentation must be provided to BUYER's Purchasing or Receiving Departments prior to submittal of invoice(s) for payment.

4. DELIVERY: Time is of the essence in completing and delivering all Work under this PO. In the event SELLER fails to make delivery of any part of the Work within three (3) calendar days following the due date for such part of the Work, SELLER shall be assessed a late fee (the "Late Fee"). The Late Fee shall be an amount equivalent to three percent (3%) of the total PO value for each calendar day period following the delivery date. In the event of repeated or continual late delivery, BUYER reserves the right to terminate this PO and remove SELLER from BUYER's Approved Vendor List, at BUYER's sole discretion. In addition to the foregoing, failure to timely fulfill any aspect of the Work shall subject SELLER and entitle BUYER to any and all rights and remedies available to BUYER, at law or in equity, including, but not limited to, rescission and/or for any and all damages, including consequential damages. BUYER retains the right to mitigate potential damages by performing and/or substituting goods or services and shall be entitled to full reimbursement from SELLER for any cost or expense incurred thereby. SELLER is entirely responsible for the packing and marking of the Work, and insuring that it is delivered at the time and destination agreed by BUYER. All costs and risks of transportation of the Work are for SELLER's account, unless otherwise specified on the face of this PO.

5. ACCEPTANCE: Acceptance of all or any part of the goods shall not be deemed to be a waiver of BUYER's right either to cancel or to return all or any portion of the goods due to failure to conform to order, or by reason of defects, latent or patent, or other breach of warranty, or to make any claim for damages, including manufacturing costs and loss of profits or other special damages incurred by BUYER. Such rights shall be in addition to any other remedies provided by law.

6. OBLIGATIONS OF SELLER: If the Work, in whole or in part, does not meet any requirement of BUYER under this PO or is otherwise defective or non-conforming in any manner, delivery shall not be deemed to have occurred and SELLER shall be liable for any and all damages arising as a result of such breach.

When BUYER's drawings are furnished in connection with this PO, SELLER is responsible for furnishing whatever material is required to complete the work specified in this PO. If a Bill of Material is furnished on the drawings or together with the drawings, it is understood and agreed that BUYER is making no representations as to its accuracy or completeness and that SELLER should make its own material take-off to insure that it furnishes and allows for all materials required by this PO.

SELLER shall provide all corresponding material documentation, including, but not limited, to Material Test Reports (MTR), Material Safety Data Sheets (MSDS), Certificates of Compliance (COC), Owner or Operator Manuals, and Material/Equipment Specification Sheets, that validates the materials shipped against the PO. A Material Safety Data Sheet (MSDS) is required for any product shipped under this PO which may produce hazardous gases, liquids, or solids. Documentation must be provided physically with the materials and electronically to BUYER email address, Receiving@MetalSharkBoats.com upon shipment of materials. Documentation must reference BUYER PO and BUYER part number (as listed on PO). This documentation is VERY IMPORTANT and necessary for BUYER audit/regulatory compliance records. Failure to comply with this request will result in refusal of material.

SELLER commits to immediately notify BUYER, in writing, if SELLER knows or has reasonable cause to believe that SELLER cannot discharge any obligation of SELLER under this PO. Such notice shall state with specificity the reasons for SELLER's inability to perform and SELLER agrees to cooperate with BUYER to mitigate any loss, cost or expense as a result of SELLER's inability to perform, including providing BUYER with any and all information or material, in SELLER's possession or control, related to this PO and to assist BUYER in mitigating any such loss, cost or expense.

SELLER shall adhere to the Environmental, Health and Safety regulations, procedures and standards of BUYER while on BUYER's property and/or any vessel(s) located at BUYER's facility.

A list of all coatings and thinners to be used by SELLER in the performance of the Work shall be provided to BUYER prior to the commencement of SELLER's Work. Thinners are to be used for cleaning coatings application equipment only. The applicable Air Quality Data Sheets (air emissions as applied) for all coatings and thinners identified on the list provided to BUYER shall be provided to BUYER prior to the commencement of SELLER's Work. All coatings and thinners must be approved by BUYER prior to their use at BUYER's facility.

SELLER shall provide a written report identifying the quantities and types of coatings and thinners used by SELLER at BUYER's facilities. The report must be provided to BUYER within five (5) calendar days after completion of the Work for projects that begin and complete in the same month or prior to the 8th day of each month (report covers the previous month) for projects that are performed in multiple months.

All fabricated parts will be subject to inspection at Metal Shark Boats. BUYER will perform inspections within 72 hours of receipt of materials. SELLER will be responsible for any costs incurred to remedy any parts failing our inspection.

SELLER's delivery obligation(s) shall not be considered discharged unless and until any tests required by this PO or otherwise are successfully completed and the results confirmed in writing.

7. TITLE/RISK OF LOSS: Title to Work furnished hereunder shall pass to BUYER upon payment therefore, or upon delivery, whichever is sooner; provided, however, that risk of loss shall remain with SELLER until final acceptance.

8. CHANGES: The terms, conditions and provisions of this PO set forth all amounts due or to become due to SELLER and SELLER specifically waives any right to receive any additional amount from BUYER for any cause or reason, except as provided herein. This PO is not subject to any change or modification, including, but not limited to, any increase in the amount due SELLER, unless agreed in writing by a duly

authorized purchasing agent or subcontract administrator of BUYER. BUYER may require, at its sole discretion, changes in the general scope of this PO by written notice, including, but not limited to, any technical aspects, material, quantity, method of shipping and/or packing, inspections, standards or place of delivery. If such a change affects the cost of the Work or the timing of SELLER's performance, SELLER shall undertake such change promptly and in a manner designed to eliminate or minimize any increased cost to BUYER.

9. SELLER'S WARRANTIES AND REPRESENTATIONS: SELLER warrants and represents that:

Title to all Work is free of any lien, encumbrance or security interest of any kind or character, choate or inchoate.
