

# METAL SHARK

METALSHARKBOATS.COM

January 1, 2022

Dear Vendor / Supplier / Subcontractor

As we plan for the future with an eye on additional growth, we are working to streamline Metal Shark's purchasing, accounting, and general business administration efforts. We currently operate each Metal Shark facility under its own LLC.

Although, this has no outward-facing effect on ownership, management, or business development efforts, Metal Shark will continue to be operated as a single entity. For Accounting purposes, please note the correct operating LLCs to be used for each Metal Shark division. The "bill to" address should be 160 Boro Lane, Franklin, LA 70538, with the correct entity being invoiced separately as listed below. It is requested that all invoices be emailed to [ap@metalsharkboats.com](mailto:ap@metalsharkboats.com)

Gravois Aluminum Boats, LLC dba Metal Shark  
Metal Shark Franklin, LLC dba Metal Shark  
Shark Tech, LLC dba Metal Shark

Jeanerette Location FIN: 72-1308785  
Franklin Location FIN: 83-2648437  
Alabama Location FIN: 82-5308626

Additionally, we prefer ACH method of payment to all suppliers. In doing so, that requires you to provide your ACH information, and one of our AP team members verbally confirming that provided information.

Please feel free to contact us with any questions. We thank you for your support and look forward to working with you in the bright future of boat building.

Sandra Armstrong  
VP – Supply Chain
